South Carolina Insurance Fraud Investigators, Inc. (SCIFI) has been supporting issues important to fraud investigators in the state since 1996. We are pleased to announce that our **21st Annual Conference and Training Seminar**, in partnership with the South Carolina Chapter of the International Association of Special Investigation Units (IASIU), is scheduled for November 7-9, 2018 in Myrtle Beach. This year's conference will be held at the DoubleTree Resort by Hilton Myrtle Beach Oceanfront. The conference will once again allow fraud investigators the opportunity to network with their industry peers, claim adjusters, legal counsel, police and fire investigators as well as vendors and sponsors; all gathered to advance our mutual efforts in the fight against insurance fraud.

On behalf of SCIFI, I invite you to join us at the conference as a vendor or sponsor. Your contribution will help provide the funding necessary to make the conference possible and will make you stand out as a leader in our shared cause and provide you the chance to have exposure with our members. The contribution of door prizes is another way to take advantage of this opportunity. Conference information is attached and will also be available on our website, www.sc-ifi.org.

In addition, I am pleased to announce several exciting new opportunities for this year's conference. There will be a golf outing on Wednesday November 7 prior to registration. There will also be a Welcome Reception in the vendor area coinciding with registration from 4:00pm to 6:00pm, with refreshments provided by SCIFI. We believe these events will greatly increase the exposure of our vendors to the conference attendees. Vendors and sponsors are encouraged to participate in both events.

I look forward to hearing from you soon. Please mark your elections on the form bellow and return it with your remittance via surface mail, or it may be sent electronically to our email address, scifisc@gmail.com with remittance made the PayPal link on our website. If you have any questions or concerns please call me at (803) 213-3634 and thanks again for your support.

Regards,

Brandon Gunter
President
